# WESLEYAN - TRINITY SUMMER TERM

1942

Wesleyan Session

MAY 18 - JUNE 27

at Middletown

Trinity Session

JUNE 29 - AUGUST 8

at Hartford

## FOREWORD

WESLEYAN UNIVERSITY and Trinity College have combined to offer a Summer Term which is divided into two sessions of six weeks each, the first at Middletown from May 18th to June 27th, and the second at Hartford from June 29th to August 8th. Close relationship between Wesleyan and Trinity and their common aim in a common cause would seem to make this arrangement not only a matter of academic economy but also an opportunity for our young men to take advantage of a broadening of summer school offerings.

JAMES L. McCONAUGHY, *President*,  
WESLEYAN UNIVERSITY.

REMSEN B. OGILBY, *President*,  
TRINITY COLLEGE.

# Wesleyan-Trinity Summer Term

THE Wesleyan Session from May 18 to June 27 will be held at Wesleyan; the Trinity Session from June 29 to August 8 will be held at Trinity.

Credit will be given by each college to its own students for satisfactory completion of courses in either session. The maximum credit which can be ordinarily earned in one session is six semester hours, although some exceptions may be permitted.

A registration fee of \$5 is charged. If the application for the first session and the fee are received prior to May 1, the fee will be deducted from the bill for tuition. If paid later, the fee will not be credited. These fees are not returnable. The corresponding date for receiving applications for the second session is June 22. Application may be made for both sessions prior to May 1, in which case but one fee will be charged which will be deducted from the bill for the second session.

For information not contained in this bulletin, apply to Dr. Irwin A. Buell of Trinity or to Dean L. A. Howland of Wesleyan.

# WESLEYAN SESSION

May 17 - June 27

*Fees.* The tuition charge for this session, payable May 18, will be \$45 for courses carrying three semester hours credit and \$75 for those carrying six hours credit. There will be no fee for Physical Education nor for an extra hour in Chemistry S7. If the Trinity Session is also attended, the additional fee will be \$25 for each three hours credit, payable at Trinity June 29. Additional laboratory fees will be charged for certain science courses as indicated in the announcement of these courses. A health fee of \$2.50 will be charged each student.

*Room.* The charge for a dormitory room will be \$15 per occupant for each six weeks.

*Board* will be furnished at the Downey House Monday through Friday to as many men as can be accommodated—about 125. The charge will be \$45 payable in advance at the time of registration. No meals will be served by the college other than those under this arrangement. There will be no refunds or deductions in case of withdrawal.

*Recreation.* The playing fields, tennis courts, and swimming pool will be open for the use of all students. A program of sports will be arranged and conducted by the Department of Physical Education.

*Classes in Physical Education* will be open to all students three days a week. Credit of one semester hour will be given to a student who elects the work in both summer sessions and who has not already met the graduation requirements of the Department.

*Admission.* Wesleyan students in good standing will be admitted, also Trinity students accepted by Trinity. Men from other colleges who submit statements that they are eligible to continue in their respective institutions will be admitted to any courses for which they have the prerequisites.

*Final Registration* will take place in South College on Monday, May 18, from 9 A.M. to 12 M. and 2 to 4 P.M. Fees must be paid at the office of the Assistant Treasurer prior to registration.

*Courses* carrying three hours credit will meet one period daily, and those carrying six hours credit two periods daily five days a week. The hours of meeting are indicated in the announcement of each course by the following symbols: I, 8:00 to 9:15 A. M.; II, 9:30 to 10:45 A. M.; III, 11:00 A. M. to 12:15 P. M. If no hour is indicated, the

time of meeting of the course will be determined later. The first classes will meet on Tuesday, May 19. They will meet on Saturday, May 23, but not on subsequent Saturdays. Students are expected to attend all meetings of their courses.

A course elected by less than eight students may be withdrawn.

*Distinction.* A student who is eligible may arrange to carry work for Distinction in the session; maximum credit three hours.

*Comprehensive.* Preparation for the Comprehensive will be conducted in all departments which require it for graduation for men in the class of 1943 who expect to complete the graduation requirements next January. Three hours credit.

*Final Examinations* will be held on Friday and Saturday, June 26 and 27.

## COURSES AT WESLEYAN

All courses carry three semester hours credit unless it is otherwise stated. The Roman numeral after each announcement indicates the period of meeting. Physical Education and most laboratory periods will be scheduled in the afternoon. The courses for the Summer Term have been planned in such a way that in many cases a course taken in the First Session may be followed by one in the Second (e.g. courses in biology, chemistry, English, French, German, government, history, philosophy, psychology).

# TRINITY SESSION

June 29 - August 8

**C**COURSES in the Trinity College Summer Session are open to both men and women. They are not limited in any way to undergraduates of Trinity and Wesleyan. Degree credit is given for all courses—toward a Bachelor's degree for all and toward a Master's degree for several. Although Trinity College does not award the Bachelor's degree to women, credit for these courses can be transferred to other colleges awarding such a degree. Courses are open to all high school graduates.

*Fees.* The tuition charge for this Session will be \$25.00 for each course carrying three semester hours of credit and \$50.00 for each course carrying six semester hours of credit. A small laboratory fee will be charged for certain science courses. This will be \$10.00 for each course of six semester hours and \$5.00 for each course of three semester hours.

*Room.* The charge to Trinity and Wesleyan undergraduates for a dormitory room will be \$15.00 per occupant for the six weeks period. Other men students desiring rooms will be charged \$25.00 for the Session.

*Board.* The college cafeteria will be open to serve meals to the faculty and students of the Summer Session.

*Recreation.* The playing fields, tennis courts, and swimming pool will be open for the use of students. A program of sports will be arranged by the Department of Physical Education.

*Physical Education.* Arrangements will be made whereby students may take part in regularly scheduled classes in physical education. These classes will meet three times a week in the afternoon. Credit in physical education will be given on satisfactorily meeting the requirements of this course. Each student will have to provide his own equipment.

*Final Registration* will take place in The Lounge of Cook Dormitory on Saturday, June 27, from 9 A. M. to 12 M. and on Monday, June 29, from 8 A. M. to 11 A. M. Classes will start June 29. Fees are to be paid at the time of registration. Information concerning building and room where each class meets may be obtained at time of registration.

*Final Examinations* will be held Friday and Saturday, August 7 and 8.

*Courses* carrying three hours of credit will meet one period daily and those carrying six hours of credit will meet two periods daily unless otherwise stated in the description of the course. Period I is 8:15 to 9:30; Period II is 9:40 to 10:55; Period III is 11:05 to 12:20; Period IV is 1:30 to 3:30. Classes will not meet on Saturdays.
